LET THE HOUSE BE BUILDED EBOOKS 2019

Author: T. Austin-Sparks

Christianity has many aspects and Christian people are occupied with those various aspects; such as evangelism, teaching, building up of believers, or contending for the faith. There are movements entirely devoted to the study of prophetic matters related to the coming again of Christ, and so on. All these are right. But they can, and often do, become things in themselves and, while being so good and right, have the effect of dividing Christians into sections, circling round some interpretation or some teaching or some specific object. The inclusive and supreme object of God, in and through and over all, is thereby very often lost sight of.

It is the purpose of these pages to seek to bring that object more definitely into view. Our concern is with God's inclusive object and purpose.
