"My Resurrection Revelation" (Jesus speaking), this word communion from Jesus, is the product of years of asking and seeking to know the God of Love and Light and Life. This is Jesus' book; these are in faith and prayerfully His words. I am a seeker of His heavenly Light and the scribe. These writings have been distilled and clarified from what has been received from Jesus and include His words expressed as the text was being prepared for you. They are a living textbook for studying and applying Divine Principles of Life in your daily laboratory called, "life in the body upon the planet". They are designed to heal your consciousness of its belief in separation from God (a choice made in the state of deception). And, if you chose to believe (to be-in the-living-of what is revealed), it will nourish, strengthen, enlighten, and raise you up beyond the darkness and gravity of world thought (revealing the cause of man's fall). This is for those who seek to be alive in the abundant energy & light of God and released into His Shekinah Glory free of the addictive nature of the lower dimensions that they may have dominion over their own universe (not over others) and become once again one with their Creator.
