Do you have a need that you fear will never be met in this life? Jesus said, ìl have come that they may have life, and that they may have it more abundantly.î (John 10:10, NKJV) If Jesus said so, and He did, then it must be true, right? So what then is abundant living, not in limited worldly terms or in future heavenly expectations, but right here and now in the reality of Christ Jesus? Abundance is a first-person account of interaction with God through one particular verse of Scripture that God used to more fully expand the authorís understanding of what it means to experience more of the abundant life that Jesus makes possible on a daily basis.
